Property Appraiser

200 100 0 200 400 Feet

1 inch equals 200 feet

Maps and documents made available to the public by the Lee County Property Appraiser's Office are not legally recorded maps or surveys and are not intended to be used as such. The maps and documents are created as part of a Geographic Information System (GIS) that compiles records, information, and data from various cities, county, state and federal sources. The source data may contain errors.
For additional information regarding Earthdata aerials, see final report of topographic survey for Lee County Fl orida dated 3/31/06. The original Earthdata map and its attached report are not valid without the signature and original raised seal of a Florida licensed Surveyor and Mapper which can be found on the report.
