<http://leegis.leegov.com/WastePickup>

Find My Bus – Bus Routes and Schedules, Bus Stops, ADA Corridor – search by address or street name
<http://leegis.leegov.com/FindMyBus>

- | Search – search by address, street, FOLIO ID, STRAP
- | Current Location – if GPS enabled, zoom to current location
- | Switch Basemap – choose from streets or imagery
- | Share – share link through Email, Facebook, Twitter
- | Print Map – create pdf to print
- | Help – full website instructions

To Start: Zoom in and click on parcel or condo building, or click on the “Search” icon  and type in your house number and street name (1500 Monroe), or just your street name (Monroe). For the Find My Property app, you can also type in the full or partial FOLIO ID (10162375) or STRAP number (134424P4004050040). *TIP: The less you type the more addresses you will have to pick from. When entering a street name, you can omit the street type (we use abbreviations: st, rd, dr, ter, blvd). You can enter just your street name (or partial street name) and all addresses containing your search criteria will be listed for you to choose from.* For more help click on the Help icon. 

Information Pop-ups: You may click anywhere on the map to get information. The pop-up window may contain several screens of information. To scroll to the next topic, click on the white arrows along the top of the pop-up.

Web Apps can be accessed from our new Maps & Apps website:

<http://leegis.leegov.com/mapsandapps>

OR

from the Lee County GIS Website:

<http://leegis.leegov.com> under **GIS Web Applications**

These web apps can also be accessed from iPads, tablets, and smart phones.

On your smart device, navigate to <http://leegis.leegov.com/mapsandapps>

or install a QR code reader and scan these to access the web apps...

Then bookmark them for future use.
