# FLURISA… the Florida Chapter of URISA

- URISA – Urban and Regional Information Systems Association

- The Association for GIS Professionals

- The URISA is a non-profit professional and educational association that promotes the effective and ethical use of spatial information and information technologies for the understanding and management of urban and regional systems

- It is a multidisciplinary association where professionals from all parts of the spatial data community can come together and share concerns and ideas

- FLURISA is made up of a cross-section of the GIS and Geo-spatial disciplines from local, regional, state, federal, tribal government entities and the private sector without political, social or financial bias

FLURISA… the Florida Chapter of URISA

What does FLURISA do?

- Supports and Sponsors the regional workshops/conferences - SHRUG, Central Florida GIS Workshop and SF GIS Expo
- Promotes and offers URISA Certified Workshops
- Publishes quarterly Newsletters with updates in between
- Provides Webinar training opportunities
- Provides self paced online training
- Provides social networking events regionally
- Communicates national, state, regional and local GIS news through the association's newsletter and website www.flurisa.org

FLURISA Online Education Hub

- Self-Paced Online Courses
- FREE for FLURISA members
- Just use your current FLURISA username when you create a new account with Geospatial Training
- There is a video on their home page that will tell more about this in greater detail if you're interested

FLURISA Online Education Hub

- Advanced Google Maps API Programming
- Building GIS Web Sites Without Programming – Using CartoDB
- Converting ArcGIS Data to Google Earth
- Creating Real Time Google Earth Applications
- D3.js Mapping
- Design and Build GIS Web Sites Like a Pro
- Editing with ArcGIS 10
- Fundamentals of Google Earth Pro
- Getting Started with the ArcGIS Server API for JavaScript
- Intermediate ArcGIS Server Programming with JavaScript
- HTML5 and CSS3 for GIS Web Developers

FLURISA Online Education Hub

- Intermediate ArcGIS Online
- Introduction to ArcGIS Online
- Introduction to ArcGIS Server 10.1
- Introduction to Managing ArcSDE with SQL Server
- Introduction to ModelBuilder
- Introduction to OpenLayers Programming
- Introduction to Programming the Google Maps API
- Learning ArcGIS Desktop 10.1
- Mastering KML for Google Earth
- Programming ArcGIS with Python Workshop – Introduction

FLURISA Online Education Hub

- Programming ArcGIS with Python Workshop – Intermediate
- Programming ArcGIS Server with Silverlight
- Programming ArcObjects with .NET for ArcGIS 10
- Programming the ArcGIS Server API for Flex
- Using AutoCAD Data in ArcGIS
- Using Spatial Analyst in ArcGIS
- Working with Geodatabases and Linear Referencing
- Working with Geometric Networks

FLURISA Webinars Conducted in 2015

- LABINS: Navigating the New Website
- GIS in Emergency Management
- ESRI Public Safety
- GIS @ FDOT
- New Education Hub and Free GIS Training
- GeoPlan/FDOT Sea Level Scenario Sketch Planning Tool and FGDL Preview
- An Update From ESRI including the UC 2015
- Enterprise Insight: Data Driven Actionable Information from Enterprise Asset
- DTSGIS Enterprise Asset Management

FLURISA Annual Membership

- FLURISA's annual membership is $25

- Students that use a .edu rate is $15

- Get GISP points

- FLURISA's annual membership runs from July 1st to June 30th

- Sign up at www.flurisa.org
