The terms used in this Declaration have the meaning given them in the Condominium Act unless otherwise defined herein.

The Land hereby submitted to Condominium (the "Land") is situated in Lee County, Florida, and is described as BAYVIEW AT BONITA BAY II, a condominium, and further described by a legal description appearing as Exhibit 1, Sheets 1 & 2 with LESS & EXCEPTIONS described as Exhibit 1, Sheets 9, 10, 11 & 14. Use of such spaces may be reassigned among unit owners but only if first approved by the Board of Directors of Bayview II Association, Inc. consenting thereto in writing. The right to use each such garage will be appurtenant to and inseparable from ownership of a unit or units within Bayview at Bonita Bay II, a condominium.

6. APPURTENANCES TO UNITS.

There shall be appurtenant, and pass with title, to each Unit the rights, shares, and interests provided by the Condominium Act which shall be deemed to include, without limitation, the following:

6.1 An undivided share in the Common Elements and in the "Common Surplus" (as that term is elsewhere herein defined). The undivided share in the Common Elements and the Common Surplus of the Condominium appurtenant to each Unit is that proportion of the total set forth, as a fraction, in the schedule which is annexed hereto and made a part hereof as Exhibit "4", and

6.3 An exclusive easement for the use of the air space occupied by the Unit as it exists at any particular time (as shown on Exhibit 9 hereto) and as it may lawfully be altered or reconstructed from time to time, which easement shall be terminated automatically in any air space which is permanently vacated from time to time; and

6.4 Non-exclusive easements, to be used and enjoyed in common with the owners of all Units in the Condominium, for use of those Common Elements not designated elsewhere herein as easement for:

(1) The furnishing and maintenance of public utility services to all parts of the real property of the Condominium over, across, in and through the Land, buildings and other improvements, as the fixtures and equipment therefor now exist and/or may be modified or relocated; and

6.5 An exclusive easement for the unintentional and non-negligent encroachment by any Unit upon any other Unit or Common Element, or vice versa, for any reason not caused by or resulting from the willful or negligent act of Developer or any caused by or resulting from the original construction of improvements, which exclusive easement shall exist at all times appurtenant to the encroaching Unit or other improvement, to the extent of such encroachment; and

6.6 An exclusive easement for the use of the area of Land and air space occupied by the air conditioning compressor, and/or on Common Elements of the Condominium but exclusively serving and individually owned by the owner of the Unit, as the same exist in and on the building (as shown as Exhibits 8 and 9) which exclusive easement shall be terminated automatically in any air space which is permanently vacated by such air conditioning compressor, and the equipment and fixtures appurtenant thereto; provided, that the removal of the same for repair and/or replacement shall not be construed to be a permanent vacation of the air space which it occupies; and

6.7 The right to membership in the "Association" (elsewhere herein defined), upon the terms and conditions set forth elsewhere herein.

6.8 Membership in Bonita Bay Community Association, Inc., a Florida not-for-profit corporation (the "Community Association").

The term "Common Expenses", as used herein, shall mean all expenses for which all the owners of Units in the Condominium (except the Association) shall be liable to the Association. The term "Common Surplus", as used herein, shall mean the excess of all receipts of the Association, including, without limitation, assessments, rents, profits and revenues on account of the Common Elements, over the amount of the Common Expenses. Except as hereafter provided, all of the owners of Units (except the Association) shall share the Common Expenses and shall own the Common Surplus in the proportions or percentages set forth in the schedule annexed hereto and made a part hereof as Exhibit 4.

8. VOTING RIGHTS.

The owner or owners of each Unit shall become a member or members of the Association automatically upon and simultaneously with delivery of a deed of conveyance of fee title thereto from Developer or, in a conveyance by a grantee or a remote grantee of

Developer, a deed which has been approved by the Association and otherwise complies with the terms and conditions of this Declaration, the Articles of Incorporation and By-laws of the Association. There shall be appurtenant, and pass with title, to each Unit one (1) vote as a member of the Association, which may be exercised by the owner(s), or the duly constituted proxy of the owner(s), from time to time, of each Unit at all meetings of members and in connection with all matters upon which members of the Association are entitled to vote. The qualification of members of and manner of admission to membership in the Association, and the termination of such membership and voting by members shall be as provided for in the Articles of Incorporation and By-laws of the Association.

9. NAME OF ASSOCIATION.

The entity responsible for the operation of the Condominium shall be BAYVIEW II ASSOCIATION, INC., a Florida corporation not-for-profit (the "Association"). A copy of the Articles of Incorporation for the Association is annexed hereto and made a part hereof as Exhibit 2. The association shall administer and manage the Condominium as permitted by the Condominium Act, and may by contract, partially or wholly delegate its maintenance, management and operational duties and obligations.

10. BY-LAWS OF ASSOCIATION.

The procedures for the internal administration and functioning of the Association are set forth in the By-laws. A copy of the By-laws of the Association is annexed hereto and made a part hereof as Exhibit 3.

11. AMENDMENT OF DECLARATION.

Except for amendments which Developer is authorized and/or obligated elsewhere herein to make and except as may be elsewhere herein or in the Condominium Act otherwise specifically provided, this Declaration may be amended only in the following manner:

11.1 Notice.

Notice of the subject matter of any proposed amendment to this Declaration shall be included in the notice of any meeting at which such proposed amendment is to be considered.

11.2 Proposal.

Amendments to this Declaration may be proposed by the Board of Directors (the "Board") of the Association by resolution adopted by a majority vote of the Directors present at any regular or special meeting of the Board at which a quorum is present or, in the alternative, by a written instrument signed by a majority of

the Board, or by the owners of a majority of the Units, whether by vote of such owners as members of the Association, at a special or regular meeting of the members or by written instrument signed by them.

11.3 Adoption.

Any amendment to this Declaration so proposed by the Board or members of the Association shall be transmitted to the President of the Association, or, in the absence of the President, to a Vice President or other acting chief executive officer, who shall thereupon call a special meeting of the members of the Association to consider and vote upon such proposed amendment; provided, that a proposed amendment may be considered and voted upon at an annual meeting of the members of the Association if the next such meeting is to be held within the time hereafter limited and if notice of the proposed amendment shall be included in the notice of such meeting. The special or annual meeting, as the case may be, of the members shall be held not sooner than thirty (30) days nor later than sixty (60) days from the date of receipt by the Association of the proposed amendment or as provided in the Condominium Act if different. Notice of the meeting shall be in the form and shall be delivered and the meeting shall be called and held as provided for in the By-laws of the Association; provided, that any member may, in writing signed by such member, waive notice of such meeting in the manner provided for in the By-laws of the Association and such waiver, when delivered to the Secretary of the Association for filing in its records, whether before, during or after such meeting shall be construed to be the equivalent of giving notice to such member. The proposed amendment may be adopted, and shall become effective, by and upon the affirmative vote at such meeting of members owning Units to which not less than two-thirds (2/3) of the Voting interests are appurtenant. Notwithstanding the foregoing, any amendment so proposed may be adopted, without a formal meeting of the members by an instrument executed and acknowledged with the formalities of a deed by members owning Units to which not less than two-thirds (2/3) of the Voting interests are appurtenant.

11.4 Provision.

No amendment shall:

(1) Except as otherwise provided herein, change any "Condominium Parcel" (as defined in the Condominium Act) unless the record owner(s) thereof and all record owners of liens thereon shall join in the execution and acknowledgment of the amendment and two thirds of all other unit owners approve the amendment, or

(2) Discriminate against any Unit owner or against any Unit or building comprising part of the Condominium Property, unless the record owners of all affected Units and record owners of all liens thereon shall join in the execution and acknowledgment of the amendment & two thirds of all other unit owners approve, or

(3) Except as otherwise provided herein, change the share of Common Elements appurtenant to any Unit or Units or the share of any Unit owner in the Common Surplus, unless two thirds of all unit owners approve, or

(4) Increase the share of any Unit owner(s) in the Common Expenses, unless the record owners of all Units and the record owners of all liens thereon shall join in the execution and acknowledgment of such amendment, & two thirds of all other unit owners approve or

(5) No amendment to this Declaration shall make any substantial change in Article 13 hereof, entitled "Insurance", nor in Article 14 hereof, entitled "Reconstruction or Repair After Casualty", unless the record owners of all liens on affected Units shall join in the execution and acknowledgment of the amendment, & two thirds of the unit owners approve or

(6) Amend the provisions of Article 21 hereof without Developer's joinder and consent so long as it holds any Unit for sale in the ordinary course of business & two thirds of all unit owners approve.

11.5 Secret Ballot.

Any vote to amend this Declaration relating to a change in percentage of ownership of the common elements or sharing of the common expense shall be conducted by secret ballot.

11.6 Effective Date and Recording Evidence of Amendment.

Amendment to this Declaration shall be effective at the time of filing the amendment or certificate of amendment in the Public Records of Lee County, Florida. The President of the Association, or, in the absence of the President, a Vice President or other acting chief executive officer of the Association, shall cause to be filed in the Public Records of Lee County, Florida, the original amendment to the Declaration, if it is in the form of an instrument executed and acknowledged by Unit owners and the holders of liens thereon, or a certificate of amendment, if it is a certification by the proper officers of the Association that such amendment was adopted by the Association at a meeting of the members. A true and correct copy of each such amendment or certificate of amendment shall be delivered, forthwith after adoption thereof, to the record owners of all Units and to the record owners of all mortgages on Units, by the President, Vice President, or other acting chief executive officer of the Association, but delivery of such copies shall not be a condition precedent to the effectiveness of any such amendment.

11.7 Amendment to Correct Omission or Error in Condominium Documents.

Notwithstanding any provision to the contrary set forth in this Article 11 or elsewhere, in and of this Declaration, or Articles or By-laws of the Association, the affirmative vote of the owners of not less than fifty-one (51%) percent of the Units in the

Condominium shall be sufficient to adopt an amendment to this Declaration for the purpose of correcting a defect, error, or omission in or to this Declaration not materially or adversely affecting the rights of owners, lienors or mortgagees. Provided however nothing herein is intended to limit any statutory method of correcting an error or omission. Furthermore the Developer reserves the right at any time to amend this Declaration and any exhibits to it for the purpose of correcting any defect, error or omission herein or therein which prevents this Declaration from creating a valid condominium under Florida law.

11.8 Amendment to Merge or Modify Appurtenances.

This condominium may be merged with any other condominium created within the Bonita Bay Project and the appurtenances to all units may be changed or modified upon approval thereto by the owners of two-thirds (2/3) of the units in this condominium. Any amendment to the Declaration for the purposes of effecting such a merger or changes shall only require consent of the owners of two-thirds (2/3) of the units in the Condominium. Such amendments will also require consent of all mortgage and lien holders if required by law.

12. MAINTENANCE, REPAIRS AND REPLACEMENTS.

Responsibility for maintenance, repairs and replacements of Condominium Property and property of Units owners located or situated within the Condominium shall be as follows:

12.1 Units.

Each Unit, and the fixtures, equipment and appliances comprising a part thereof, located therein or exclusively serving the same (but not including, however, Limited Common Elements except where expressly so indicated in Section 12.3), shall be maintained, kept in good repair and replaced by and at the expense of the owner(s) thereof, provided however that any structural, mechanical, electrical or heating and air-conditioning repairs will be performed only by a service company approved by the Association. The Association has the irrevocable right of access to each unit during reasonable hours, when necessary for the maintenance, repair, or replacement of any common elements or of any portion of a unit to be maintained by the association pursuant to this declaration or as necessary to prevent damage to the common elements or to a unit or units.

12.2 Common Elements.

The Association shall be responsible for, and shall assess against and collect from the owners of all Units in the Condominium, the costs of maintaining, repairing, replacing and

keeping in clean and orderly condition, all of the Common Elements. The Association shall, at the expense of the owners of all Units in the Condominium, repair any and all incidental damage to Units resulting from maintenance, repairs and/or replacements of or to Common Elements.

12.3 Limited Common Elements (LCE).

The Association shall be responsible for, and shall assess against and collect as a common expense the cost of performing necessary maintenance, repairs and replacements, and keeping in clean and orderly condition the exterior and structure of the garages. The owner of each unit will be required to maintain the interior of the garage assigned to it. The cost of maintaining, repairing and replacing the air-conditioning compressor serving each unit will be the responsibility of the owner of the unit served by it. Provided, however, all such maintenance, repair and replacement shall be performed only by persons who are acceptable to and approved by the Association.

13. INSURANCE.

Insurance shall be carried and kept in force at all times in accordance with the following provisions:

13.1 Duty and Authority to Obtain

The Association shall obtain and keep in force at all times the insurance coverage which it is required hereby to carry and may obtain and keep in force any or all of such other or additional insurance coverage as it is authorized hereby to carry. All insurance obtained by the Association shall be purchased for the benefit of the Association and the Unit owners and their mortgagees. A certificate evidencing a mortgagee endorsement shall be issued to the mortgagee of each Unit upon request. The owner(s) of each Unit may, at his own expense, obtain insurance coverage against damage to and loss of the contents of the Unit and comprehensive public liability. Any such policies of insurance purchased by a Unit owner shall, where such provision is available, contain a clause providing that the insurer waives its right to subrogation as to any claim or claims against other Unit owners, the Association, and their respective employees, agents, guests and invitees.

13.2 Required Coverage.

The Association shall purchase and carry insurance coverage as follows (however, such coverage shall only insure the condominium according to the original plans and specifications and coverage for any alterations, improvements or modifications to Units made by Unit owner(s) shall be the responsibility of Unit owner(s)):

(1) Casualty Insurance.

Casualty insurance covering the buildings and other improvements of the Condominium, including, without limitation, Units (i.e., all partitions, plumbing, fixtures and equipment whether within a Unit or not if serving or supporting the Unit) and Common Elements. For purposes of this provision the Association shall be deemed to have an insurable interest in the foregoing. Such insurance shall be obtained in an amount equal to the maximum insurance replacement value of such improvements exclusive of excavation and foundation costs, as determined annually by the Board of Directors of the Association; such insurance to afford protection against:

(a) Loss or damage by fire or other hazards covered by the standard extended coverage or other perils endorsement; and

(b) Such other risks of a similar or dissimilar nature as are required by law or as are customarily covered with respect to a building and other improvements similar, in construction, location and use, to the building or other improvements of the Condominium, including, without limitation, vandalism, malicious mischief, windstorm, water damage and war risk insurance, if available; and

(c) Public liability insurance, in such amounts, with such coverage and in such forms as shall be required by the Board of Directors of the Association to protect the Association and the owners of all Units, including, non-owned automobile, off-premises employees coverage, water damage and legal liability, with cross-liability, endorsements to cover liability of all Unit owners as a group to each Unit owner; and

(d) Workmen's compensation insurance to meet the requirements of law; and

(e) Flood insurance, if the same shall be necessary under the laws of the United States for federally related mortgage lenders to make mortgage loans on Units.

(f) Fidelity insurance, if applicable, covering all officers and employees of the Association and any managing agent who handles Association funds.

(g) Officers and Directors Liability and Errors and Omissions Insurance shall be maintained for the protection of the Association and of the officers and directors and agents of the Corporation.

13.3 Optional Coverage.

The Association may purchase and carry such other

insurance coverage, other than title insurance, as the Board of Directors of the Association, in its sole discretion, may determine from time to time to be in the best interests of the Association and Unit owners, or as an institutional lender may reasonably require while it holds a mortgage encumbering any Unit.

13.4 Premiums.

Premiums for all insurance obtained and purchased by the Association shall be paid by the Association. The cost of insurance premiums, and other incidental expenses, incurred by the Association in administering and carrying out the provisions of this Article, shall be assessed against and collected from Unit owners as Common Expenses.

13.5 Insured.

All policies of insurance obtained and purchased by the Association shall be for the benefit of the Association, the owners of Units and their mortgagees, as their interests may appear, and shall provide that all proceeds covering casualty losses shall be paid to the Association as Trustee for the benefit of whomever is entitled to the proceeds or an independent "Insurance Trustee", if one has been appointed. The proceeds from insurance against any casualty loss shall be held for the use of the Association, Units owners and their respective mortgagees, as their interests may appear, to be applied or distributed in the manner herein provided. The Association is hereby constituted and appointed agent for all Unit owners, with authority to negotiate and settle the value and extent of any and all losses covered under any policy of casualty insurance, and the Association is granted full right and authority to execute, in favor of any insurer, a release of liability arising out of any occurrence covered by any policy or policies of casualty insurance and resulting in loss of or damage to insured property.

13.6 Insurer.

All persons beneficially interested in the insurance coverage obtained, purchased and maintained by the Association shall be bound by the Association's selection of its insurer(s) and the amount of insurance coverage carried and kept in force by the Association.

13.7 Insurance Trustee.

The Association shall be the Insurance Trustee unless an institutional lender holding a mortgage on a Unit or the owners of one-third (1/3) of the Units make written demand to the Association requesting the appointment of an independent trustee. In such event any proceeds will be paid to or any undisbursed proceeds in the control of the Association will be paid over to the independent insurance Trustee. All persons for whose benefit such insurance is held shall be bound by the Association's selection of the Insurance Trustee.

The independent Insurance Trustee shall be selected by the Board of Directors. It shall be a bank with trust powers doing business in the State of Florida. The Insurance Trustee shall not be liable for the payment of premiums, the renewal of any policy or policies of casualty insurance, the sufficiency of coverage, the form or content of policies, nor for the failure to collect any insurance proceeds. The sole duty of the Insurance Trustee shall be to receive such proceeds of casualty insurance as are paid and to hold the same in trust for the purposes herein stated, and for the benefit of the Association, Unit owners and their respective mortgagees, to be disbursed as herein provided. The Association shall pay a reasonable fee to the Insurance Trustee for services rendered hereunder and shall pay such costs and expenses as the Insurance Trustee may incur in the performance of its duties hereunder; such fees and costs to be assessed against and collected from Unit owners as a Common Expense. The Insurance Trustee shall be liable only for its willful misconduct, bad faith or gross negligence, and then only for such money as may come into the possession of the Insurance Trustee. If and when the Insurance Trustee is required to distribute insurance proceeds to Unit owners and their mortgagees, as their respective interests may appear, the Insurance Trustee may rely upon a certificate of the President and Secretary of the Association executed under oath and provided to the Insurance Trustee upon request to the Association; such certificate to certify the name or names of the owners of each Unit, the mortgagee(s) thereof, and the respective percentages of any distribution which is to be made to such owner(s) and Mortgagee(s), as their respective interests may appear. If and when insurance proceeds are paid to the Insurance Trustee for any casualty loss, the holder(s) of any mortgage or mortgages encumbering a Unit shall have no right to determine or participate in the determination of repair or replacement of any loss or damage, and shall have no right to elect to apply insurance proceeds to the reduction of indebtedness secured by such mortgage(s), unless the insurance proceeds represent a distribution to the owner(s) of the Unit and the Mortgagee(s) thereof, after such insurance proceeds have been first applied to the repair, replacement or reconstruction of any loss or damage, or unless such casualty insurance proceeds are authorized to be distributed to the owner(s) of the Unit and the Mortgagee(s) thereof by reason of loss of or damage to personal property constituting a part of the Common Elements and as to which a determination is made not to repair, replace or restore such personal property.

13.8 Application of Insurance Proceeds.

The proceeds of casualty insurance paid to the Association, or to an independently appointed Insurance Trustee, by an insurer for loss or damage to real and/or personal property upon which the Association carries insurance, shall be applied and paid as follows:

(1) Common Elements Only.

The proceeds paid to the Insurance Trustee for loss of or damage to real property constituting Common Elements only shall be applied to the repair, replacement or reconstruction of such loss or damage. If such insurance proceeds exceed the cost of the repair, replacement or reconstruction of such Common Elements, the excess shall be paid by the Insurance Trustee to the owners of all units, and their respective mortgagees, as their interests may appear, in shares or proportions equal to the undivided interest appurtenant to each Unit in the Common Elements. If the insurance proceeds shall be insufficient to pay the cost of the repair, replacement or reconstruction of such Common Elements, the Association shall deposit with the Insurance Trustee, from any Association Reserve Fund which may have been established, the difference between the total cost of repairing, replacing or reconstructing such loss or damage and the amount of the insurance proceeds. If no such Association Reserve Fund has been established, or if any such Association Reserve Fund has been established and is insufficient to pay to the Insurance Trustee such difference, the Association shall assess the amount of the difference against, and collect it from, all Unit owners as a Common Expense.

(2) Units.

The proceeds paid to the Association or independent Insurance Trustee for loss of or damage to a building, containing Common Elements and one or more Units shall be first applied to the repair, replacement or reconstruction of Common Elements, then to the repair, replacement or reconstruction of any Unit or Units in such building which have been destroyed or damaged. If such insurance proceeds exceed the cost of the repair, replacement or reconstruction of such Common Elements and Units, the excess shall be paid by the Insurance Trustee to the owners of the damaged or destroyed Unit and their respective mortgagees, as their interests may appear, in shares or proportions equal to the undivided interest appurtenant to each such Unit in the Common Elements. If the insurance proceeds shall be sufficient to pay for the repair, replacement or reconstruction of the Common Elements but shall be insufficient to pay the cost of the repair, replacement or reconstruction of the damaged or destroyed Unit or Units in such building, the Association shall assess the amount of the difference against, and collect the same from all owners as a Common Expense so long as the damage to the Units is of a nature as to which the Association is required to carry insurance. If it is not then the affected unit owner shall pay the cost. If the insurance proceeds shall be insufficient to pay the cost of the repairs, replacements, or reconstruction of the Common Elements (to which the Insurance Trustee is required first to apply such proceeds before applying any part thereof to the repair, replacement or reconstruction of Units), the difference between the total cost of repairing, replacing or reconstructing the Common Elements and the amount of the insurance proceeds shall be assessed by the Association

against, and collected from, all Unit owners, as a Common Expense.

13.9 Deposits to Insurance Trustee After Damage.

Within sixty (60) days after a loss of or damage to Condominium Property covered by casualty insurance, the Association shall obtain estimates of the cost of repairing, replacing or restoring the same, including the cost of professional fees and any construction bond which the Board of Directors may require. If, from such estimates, it shall appear that the insurance proceeds payable for such loss or damage will be insufficient to pay the cost of such repair, replacement or reconstruction, the additional money required to pay the total costs thereof, whether it is to be paid by one or more Unit owners, shall be deposited with the Association or the independent Insurance Trustee, as the case may be, not later than thirty (30) days from the day on which the Insurance Trustee receives the insurance proceeds.

⁴ 13. RECONSTRUCTION OR REPAIR AFTER CASUALTY.

Whether, and the manner in which, any or all of the Condominium Property which may be damaged or destroyed by casualty shall be repaired, reconstructed or replaced shall be determined as follows:

14.1 Residential Building

If the residential building(s) is (are) damaged or destroyed, repair or reconstruction thereof, or termination of the Condominium, shall be in accordance with the following:

(1) Major Destruction of Buildings.

If the building(s) is (are) damaged or destroyed so that Units in the Condominium to which more than 50% of the Common Elements are appurtenant are not habitable, neither the building(s) nor any of the improvements comprising Common Elements shall be reconstructed, and the Condominium shall be terminated unless the owners of Units to which two-thirds (2/3) of the Common Elements are appurtenant agree in writing, within 60 days after the date of such destruction, to reconstruct the same and unless the then applicable zoning and other regulatory laws and ordinances shall allow the same to be reconstructed, or unless any policy or policies of casualty insurance covering the same shall require reconstruction thereof as a condition precedent to the payment of proceeds thereunder.

(2) Other Damage to and/or Destruction of Building.

If the building(s) is (are) damaged but Units in the Condominium to which at least 50% of the Common Elements are appurtenant are habitable, the damaged or destroyed Common Elements

and/or Units shall be repaired or reconstructed, so that the building and/or Unit(s) shall be restored to substantially the same condition as existed prior to such damage or destruction, unless within sixty (60) days after the casualty it is determined by agreement in the manner elsewhere herein provided that the Condominium shall be terminated.

14.2 Common Elements.

Damaged or destroyed improvement constituting part of the Common Elements shall be repaired, reconstructed and/or replaced unless, in the event of total destruction of the Units, or, by agreement after partial destruction, the Condominium shall be terminated.

14.3 Certificate.

The Insurance Trustee may rely upon a certificate executed by the President and Secretary of the Association to determine whether or not damage or destroyed Condominium Property shall be repaired or reconstructed.

14.4 Plans and Specifications.

Repair or reconstruction of Condominium Property shall be substantially in accordance with the plans and specification pursuant to which the same was originally constructed; provided, that the Board of Directors of the Association may authorize reasonable variations from the original plans and specifications as may appear to them to be necessary or desirable.

14.5 Responsibility.

If the damage or destruction shall be limited only to one or more Units for which the responsibility of maintenance and repair is that of the affected Unit owners, then such Unit owners shall be responsible for carrying out the repair or reconstruction thereof. In all other instances of damage or destruction, the Association shall be responsible for carrying out the repair and reconstruction thereof.

14.6 Construction Funds.

All funds for the payment of repair and reconstruction costs, consisting of insurance proceeds and/or funds collected by the Association from Unit owners, shall be disbursed toward payment of such costs in the following manner:

(1) Association.

If the total funds assessed against and collected from Unit owners by the Association for payment of repair and reconstruction costs is more than Twenty Thousand (\$20,000.00)

Dollars, then all such sums shall be deposited by the Association with and disbursed by the Insurance Trustee, if one is appointed as aforesaid. In all other cases the Association shall hold such sums so assessed and collected and shall disburse the same in payment of the costs of reconstruction and repair.

(2) Insurance Trustee.

The proceeds of insurance collected on account of a casualty, and the sums assessed against and collected from Unit owners by the Association and deposited with the Insurance Trustee shall constitute a construction fund which shall be disbursed in payment of the costs of repair and reconstruction in the following manner:

(a) Unit Owner.

The portion of insurance proceeds representing damage for which the responsibility of repair and reconstruction is upon one or more, but less than all, Unit owners, shall be paid by the Insurance Trustee to the affected Unit owners and, if any of such Units are mortgaged, to the affected Unit owners and their mortgagees jointly.

(b) Association - Lesser Damage.

If the amount of the estimated costs of reconstruction and repair which is the responsibility of the Association is less than Twenty Thousand (\$20,000.00) Dollars, then the construction fund shall be disbursed in payment of such costs upon the order of the Association; provided, however, that upon request to the Insurance Trustee by a mortgagee which is a beneficiary of an insurance policy the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner hereafter provided for the reconstruction and repair of major damage.

(c) Association - Major Damage.

If the amount of the estimated costs of reconstruction and repair which is the responsibility of the Association is more than Twenty Thousand (\$20,000.00) Dollars, then the construction fund shall be disbursed in payment of such costs in the manner required by the Board of Directors of the Association and upon approval of an architect registered to practice in Florida and employed by the Association to supervise the work.

(d) Surplus.

It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in the construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be

distributed to the beneficial owners of the fund in the manner elsewhere herein stated; except, however, that the amount of any surplus which is less than the portion of the construction fund in excess of available insurance proceeds shall not be made payable to any mortgagee.

(e) Certificate.

Notwithstanding the provisions herein, the Insurance Trustee shall not be required to determine whether or not sums paid by Unit owners upon assessments shall be deposited by the Association with the Insurance Trustee, nor to determine whether the disbursements from the construction fund are to be upon the order of the Association or upon approval of an architect or otherwise, nor whether a disbursement is to be made from the construction fund nor to determine the payee nor the amount to be paid, nor to determine whether surplus funds to be distributed are less than the assessments paid by owners. Instead, the Insurance Trustee may rely upon a certificate of the Association made by its President and Secretary as to any or all of such matters and stating that the sums to be paid are due and properly payable and stating the name of the payee and the amount to be paid; provided that when a mortgagee is of record, the Insurance Trustee shall also name the mortgagee as payee; and further provided that when the Association, or a mortgagee which is the beneficiary of an insurance policy the proceeds of which are included in the construction fund, so requires, the approval of an architect named by the Association shall be first obtained by the Association.

15. USE RESTRICTIONS.

Use of the Condominium Property shall be in accordance with the following provisions so long as the Condominium exists:

Each of the Units shall be used for residential purposes and for no other purpose. 15.9 Regulations.

Reasonable regulations concerning the use of the Condominium Property may be made and amended from time to time by the Board provided, however, that all such regulations and amendments thereto shall be approved by not less than fifty-one percent (51%) of the members of the Association before the same shall become effective. Copies of such regulations and amendments thereto shall be furnished by the Association to all Unit owners and residents of the Condominium upon request.

15.10 Children.

15.11 Rental and For Sale Signs.

No signs advertising the rental or sale of Units may be posted on the Condominium Property, including doors and windows of the Units, without the prior written approval of the Association's Board of Directors.

15.12 Exterior Improvements and Landscaping.

15.14 Garages.

Enclosed garages may only be used for parking motor vehicles unless written approval to make some other use is obtained from the Association's Board of Directors.

15.15 Provision.

Provided, however, that until Developer has completed and conveyed all of the Units, neither Unit owners nor the Association nor the use of the Condominium Property shall interfere with the completion of the proposed improvements and the sale of the Units. Developer may make such use of the unsold Units and common elements as may facilitate such completion and sale, including, but not limited to, maintenance of a sales office, the showing of the Condominium Property, renting of units and the display of signs.

16. COMPLIANCE AND DEFAULT.

Each Unit owner shall be governed by and shall comply with the terms of the Declaration of Condominium, the Articles of Incorporation and By-laws of the Association, and any and all regulations adopted pursuant thereto, as they may be amended from time to time. Failure of the Unit owner to comply therewith shall entitle the Association or other Unit owners to the following relief in addition to the remedies provided by the Condominium Act:

16.1 Costs and Attorney's Fees.

If any proceeding arising because of an alleged failure of a Unit owner to comply with the terms of the Declaration, the Articles of Incorporation and/or By-laws of the Association, and any and all regulations adopted pursuant thereto, as they may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorney's fees as may be awarded by the court.

16.2 No Waiver of Rights.

The failure of the Association or any Unit owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration, the Articles of Incorporation and By-Laws of the Association, or the regulations adopted pursuant thereto, shall not constitute a waiver of the right to do so thereafter.

17. ASSESSMENTS: LIABILITY, LIEN AND ENFORCEMENT.

To provide the funds necessary for proper operation and management of the Condominium, the Association has been granted the right to make, levy and collect assessments against the owners of all Units. The following provisions shall govern the making, levying and collecting of such assessments and the payment of the costs and expenses of operating and managing the Condominium by the Association.

17.1 Determination of Assessments.

Assessments by the Association against each owner of a Unit and his Unit shall be in proportion to the fractional share of each Unit in the Common Elements. Should the Association become the owner of any Unit(s), the assessment which would otherwise be due and payable to the Association by the owner(s) of such Unit(s), reduced by an amount of income which may be derived from the leasing of such Unit(s) by the Association, shall be apportioned and the assessment therefor levied ratably among the owners of all Units which are not owned by the Association, based upon their proportionate interests in the Common Elements exclusive of the interests therein appurtenant to any Unit or Units owned by the Association.

17.2 Time for Payment.

The assessment levied against the owner of each Unit and his Unit shall be payable in quarterly, or such other installments and at such time as shall from time to time be fixed by the Board in accordance with provisions of applicable law.

17.3 Annual Budget.

The Board shall, in accordance with the By-laws of the Association, and the Condominium Act, establish an Annual Budget in advance for each calendar year, including estimates for all expenses and reserves pursuant to Florida statutory law for the forthcoming year required for the proper operation, management and maintenance of the Condominium. Upon adoption of each annual budget by the Board, copies thereof shall be delivered to each Unit owner, and the assessment for the year shall be based upon such Budget. Failure to deliver a copy of the Budget to a Unit owner shall, however, not affect the liability of such owner for such assessment. Should the Board at any time and from time to time determine, in the sole discretion of the Board, that the assessments levied are or may prove to be insufficient to pay the costs of operation and management of the Condominium, or in the event of emergencies, the Board shall have the authority to levy such additional assessment or assessments as it shall deem to be necessary.

17.4 Reserve Fund.

The Board, in establishing each annual budget shall, unless otherwise waived by the unit owners as provided by applicable law, include therein a sum to be collected and maintained as reserve funds for the replacement of Common Elements and personal property held for the joint use and benefit of the owners of all Units.

17.5 General Operating Reserve.

The Board, when establishing each annual budget, when deemed necessary or desirable, or if required by law, shall include therein a sum to be collected and maintained as a general operating reserve to provide a measure of financial stability during periods of special stress when such sums may be used to meet deficiencies from time to time existing as a result of delinquent payment of assessments by owners of Units, as a result of emergencies or for other reasons placing financial stress upon the Association.

17.6 Use of Association Funds.

All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Condominium, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles, and By-laws. As the monies for annual assessments are paid to the Association by any Unit owner, the same may be commingled with monies paid to the Association by the other owners of Units. Although all funds and other assets of the Association, and any increments thereto or profits derived therefrom, or from the leasing or use of Common Elements, including, without limitation, Common Surplus, shall be held for the benefit of the members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his unit.

17.7 Delinquency or Default.

The payment of any assessment or installment thereof due to the Association shall be in default if not paid to the Association on or before the due date thereof. When in default, the delinquent assessments or installments thereof shall bear interest at the rate of eighteen percent (18%) per annum or the highest rate allowable by law until the same, and all interest due thereon, has been paid in full.

17.8 Personal Liability of Unit Owner.

The owner(s) of each Unit shall be personally liable, jointly and severally, as the case may be, to the Association for

the payment of all assessments, regular or special, interest on such delinquent assessments or installments thereof as above provided, and for all costs of collecting the assessments and interest thereon, including a reasonable attorney's fee, whether suit be brought or not, levied or otherwise coming due while such person(s) or entity own(s) a Unit.

17.9 Liability Not Subject to Waiver.

No owner of a Unit may exempt himself from liability for any assessment levied against such owner and his Unit by waiver of the use or enjoyment of any of the Common Elements, or by abandonment of the Unit, or in any other manner.

17.10 Lien for Assessment.

The Association is hereby granted a lien upon each Unit and its appurtenant undivided interest in Common Elements and upon any Limited Common Elements appurtenant to any such Unit, which lien shall and does secure the monies due for all: (1) assessments levied against the Unit and the owner(s) thereof, (2) interest, if any, which may become due on delinquent assessments owing to the Association, and (3) costs and expenses, including a reasonable attorney's fee, which may be incurred by the Association in enforcing its lien upon the Unit and its appurtenances. The lien granted to the Association shall be established and may be foreclosed in a court of competent jurisdiction. In any suit for the foreclosure of said lien, the Association shall be entitled (to the extent so ordered by the Court) to collect rent from the owner of any Unit from the date on which the payment of any assessment or installment thereof became delinquent and shall be entitled to the appointment of a Receiver for said Unit. The rental required to be paid shall be equal to the rental charged on comparable type of Units in Bonita Springs, Florida.

17.11 Recording and Priority of Lien.

The lien of the Association shall be effective from and after recording, in the Public Records of Lee County, Florida, a claim of lien stating the description of the Unit encumbered thereby, the name of the record owner, the amount and the date when due, and shall continue in effect until all sums secured thereby shall have been fully paid but in no event longer than permitted by law. Such claims of lien shall secure assessments which are due and payable when the claim of lien is recorded, plus interest, costs, attorney's fees, as well as all other assessments and items provided by law. Such claims of lien shall be assigned and verified by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record. The liability for assessments may not be avoided by waiver of the use or enjoyment of any common element or by abandonment of the unit for which the assessments are made.

17.12 Effect of Foreclosure or Judicial Sale.

A unit owner regardless of how his title has been acquired, including a purchaser at a judicial sale, is liable for all assessments which come due while he is the unit owner. The grantee is jointly and severally liable with the grantor for all unpaid assessments against the grantor for his share of the common expenses up to the time of transfer of title, without prejudice to any right the grantee may have to recover from the grantor the amounts paid by the grantee. However, a first mortgagee who acquires title to the unit by foreclosure or by deed in lieu of foreclosure is liable for the unpaid assessments that became due prior to the mortgagee's receipt of the deed. However, the mortgagee's liability is limited to a period not exceeding 6 months, but in no event does the first mortgagee's liability exceed 1 percent of the original mortgage debt. The first mortgagee's liability for such expenses or assessments does not commence until 30 days after the date the first mortgagee received the last payment of principal or interest. In no event shall the mortgagee be liable for more than 6 months of the unit's unpaid common expenses or assessments accrued before the acquisition of the title to the unit by the mortgagee or 1 percent of the original mortgage debt, whichever amount is less.

17.13 Effect of Voluntary Transfer.

When the owner of any Unit proposes to lease, sell or mortgage the same in compliance with other provisions of this Declaration, the Association, upon written request of the owner of such Unit, shall furnish to the proposed lessee, purchaser or mortgagee, a statement verifying the status of payment of any assessment which shall be due and payable to the Association by the owner of such Unit. Such statement shall be executed by any officer of the Association and any lessee, purchaser or mortgagee may rely upon such statement in concluding the proposed lease, purchase or mortgage transaction, and the Association shall be bound by such statement.

In the event that a Unit is to be leased, sold or mortgaged at the time when payment of any assessment against the owner of the Unit due to the Association shall be in default (whether or not a claim of lien has been recorded by the Association) then the rent, proceeds of such sale or mortgage proceeds, as the case may be, shall be applied by the lessee, purchaser or mortgagee first to payment of any then delinquent assessment or installment thereof due to the Association before payment of the balance of such rent, proceeds of sale or mortgage to the owner of the Unit responsible for payment of such delinquent assessment.

In any voluntary conveyance of a Unit, the grantee shall be jointly and severally liable with the grantor for all unpaid

assessments against the grantor made prior to the time of such voluntary conveyance, without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee therefor.

Institution of a suit at law to attempt to effect collection of the payment of any delinquent assessment shall not be deemed to be an election by the Association which shall prevent it thereafter seeking enforcement of the collection of any sums remaining owing to it by foreclosure, nor shall proceeding by foreclosure to attempt to effect such collection be deemed to be an election precluding the institution of suit at law to attempt to effect collection of any sum then remaining owing to it.

18. REGISTRY OF OWNERS AND MORTGAGES.

The Association shall at all times maintain a Register of the names of the owners and mortgagees of all Units. Upon the transfer of title to any Unit, the transferee shall notify the Association in writing of his interest in such Unit together with recording information identifying the instrument by which such transferee acquired his interest in the Unit. The owner of each Unit encumbered by a mortgagee, the amount of such mortgage, or mortgages, and the recording information identifying the same. The holder of any mortgage encumbering a Unit may notify the Association of any such mortgage(s), and upon receipt of such notice, the Association shall register in its records all pertinent information pertaining to the same.

19. ALTERATIONS OF AND IMPROVEMENT TO UNITS AND COMMON ELEMENTS.

Neither a Unit owner nor the Association shall make any alterations, improvements or additions to Units or Common Elements, except in compliance with the following:

19.1 Unless the Unit owner(s) shall first submit plans for such work to the Board, and the Board, by resolution unanimously adopted by the affirmative vote of all members thereof, shall approve and consent thereto, no alteration of or improvement or addition to a Unit, or to any Limited Common Element to which the owner has an exclusive right of use, shall be made, constructed, erected or installed which shall: (1) remove, in whole or in part, replace, reroute, or otherwise affect any column, bearing wall or partition, pipe, duct, wire or conduit, or obstruct any easement herein provided for, or (2) remove, or change the style, pattern, material, texture or outside color of any door, window, screen, fixture, equipment or appliance in or on an exterior Unit or building wall, or (3) cover, from the inside or outside, the glass or other transparent and/or translucent material in any exterior door or window with, or apply or affix thereto, any material or substance which shall render the same opaque or change

the exterior color thereof, except interior draperies, curtains, shades or shutters which are lined, backed, covered or painted on the side visible from the exterior with a neutral color material, or (4) affix to or over any exterior door or window, or otherwise install on the exterior, of any Unit or building, any storm or hurricane shutter or awning of any protective or decorative panel, panelling, trim, enclosure, fixture, or appliance, (5) enclose any balcony or terrace adjoining a Unit or forming a part of a Unit, or (6) otherwise change, modify or alter the exterior of any Unit or building so that it thereby differs in appearance from any other Units.

There shall be no material alterations or substantial improvements or additions to the Common Elements except in the following manner: subject to the foregoing restrictions against changing the exterior appearance of Units and/or buildings, the Association shall have the right to make or cause to be made alterations, improvements and /or additions to the Common Elements, except the acquisition of additional real property, which improvements, together with the cost thereof, have been approved by the owners of Units to which two-thirds (2/3) of the Voting interests are appurtenant. The cost of such alterations, improvements and/or additions shall be assessed against and collected from the owners of all Units as Common Expenses. Acquisition of additional land shall be made and approved only in accord with the provisions of the Condominium Act.

19.2 Notwithstanding any provision set forth hereinabove to the contrary, the Board of Directors of the Association may adopt and approve a model, style and color of storm shutter as a standard storm shutter for use in the Condominium. Such storm shutter shall be of the type and design which is affixed directly over a door or window opening. No storm shutter except of the standard model, color and style adopted by the Board of Directors shall be used in or upon the Condominium. The periods of use of storm shutters shall be subject to regulation by the Board of Directors of the Condominium.

20. RIGHTS OF DEVELOPER.

20.1 So long as Developer, or Developer's assigns, or any mortgagee succeeding Developer in title, shall own any unit, it shall have the absolute right to sell any such unit to any person, firm or corporation, upon any terms and conditions as it shall deem to be in its own best interest. The Association shall execute Certificates of Approval approving persons for membership in the Association, provided due care and diligence is exercised in granting such approvals.

20.2 Developer further reserves unto itself or its assigns and to any mortgagee succeeding it in title the right to make amendments under Sections 718.104 and 718.504.(6), (7) and (9) without a vote of the unit owners. Amendments other than amendments made by developer under 718.104 & 718.504(6), (7) & (9) and any

rights the developer may have in this declaration to amend without consent of the unit owners, which shall be limited to matters other than those under subsections (4) & (8) of 718.110, shall be evidenced by a certificate of the association which shall include the recording data identifying the declaration and shall be executed in the form required for the execution of a deed.

21. TERMINATION.

The Condominium may be terminated in the following manner in addition to the manner provided by the Condominium Act:

21.1 Destruction.

In the event it is determined in the manner elsewhere herein provided that the improvements shall not be reconstructed because of total destruction or major damage, the Condominium plan of ownership will be thereby terminated without agreement.

21.2 Agreement.

The Condominium may be terminated at any time by the approval in writing of all of the owners of Units in the Condominium, and by all record owners of mortgages upon Units therein owned by Institutional Lenders and other mortgagees approved by the Association. If the proposed termination is submitted to a meeting of the members of the Association, the notice of which meeting gives notice of the proposed termination, and if the approval of the owners of Units to which not less than seventy-five percent (75%) of the Voting interests are appurtenant, and of the record owners of all mortgages upon Units in the Condominium owned by Institutional Lenders and other mortgagees approved by the Association, are obtained not later than thirty (30) days after the date of such meeting, then the approving owners shall have an option to buy all of the Units of the other owners for the period ending on the sixtieth (60th) day from the date of such meeting. Such option shall be upon the following terms:

(1) Exercise of Option.

The option shall be exercised by delivery or mailing by certified mail to each of the record owners of the Units to be purchased of an agreement to purchase signed by the record owners of Units who will participate in the purchase. Such agreement shall indicate which Units will be purchased by each participating owner and shall agree to purchase all of the Units owned by owners not approving the termination, but the agreement shall effect a separate contract between each seller and his purchaser.

(2) Price.

The sale price for each Unit shall be the fair market value determined by agreement between the seller and

purchaser within thirty (30) days from the delivery or mailing of such agreement, and in the absence of agreement as to price, it shall be determined by arbitration in accordance with the then existing rules of American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit; and a judgment of specific performance of the sale upon the award rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser.

(5) Payment.

The purchase price shall be paid in cash.

(6) Closing.

The sale shall be closed within ten (10) days following the determination of the sale price.

21.3 Certificate.

The termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Association executed by its President and Secretary certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the Public Records of Lee County, Florida.

21.4 Shares of Owners After Termination.

After termination of the Condominium the Unit owners shall own the Condominium Property and all assets of the Association as tenants in common in undivided shares, and their respective mortgagees and lienors shall have mortgages and liens upon the respective undivided shares of Unit owners. Such undivided shares of the Unit owners shall be the same as the undivided shares in the Common Elements appurtenant to the owners' Units prior to the termination as set forth in Exhibit "4" hereto.

21.5 Amendment.

This Article 21 shall not be amended without consent of 4/5's of the Unit owners and of owners of mortgages required to approve termination pursuant to the Condominium Act.

22. MORTGAGEE PROTECTION CLAUSE.

The following provisions are for the benefit of First Mortgagees (and the holders of junior mortgages which holders are financial institutions) and to the extent these provisions conflict with any other provisions of this Declaration, these provisions shall control:

(a) Each holder of a mortgage encumbering any Unit, at its written request, is entitled to written notification from the Association of any default by the owner of such Unit in the performance of his obligations under this Declaration, the Articles of Incorporation of the Association or the By-laws of the Association, which default is not cured within thirty (30) days after the Association learns of such default.

(b) Any such holder of a mortgage encumbering any Unit which obtains title to such Unit pursuant to the remedies provided in such Mortgage or by deed in lieu of foreclosure, shall take title to such Unit subject to liens for assessments as provided for in Florida statute 718.116(1)(a) and as amended from time to time.

(c) The record owners of the units and all record owners of liens on it shall join in the execution of an amendment as to matters described in subsections (4) and (8) of Florida Statute 718.110 in order for such an amendment to be valid and operative.

(d) Such holder of a mortgage shall have the right to examine the books and records of the Association during normal business hours and on request by 51% thereof to be provided with an audited Financial Statement annually at their expense. If the condominium contains more than 50 units then such mortgagees shall be entitled to such statement without charge.

(e) All such mortgagees who have registered their names with the Association shall be given (i) thirty (30) days written notice prior to the effective date of any proposed, material amendment to this Declaration or the Articles of Incorporation or By-laws of the Association and prior to the effective date of any termination of any agreement for professional management of the Common Elements following a decision of the Owners to assume self-management of the Common Elements; and (ii) immediate notice following any damage to the Common Elements whenever the cost of reconstruction exceeds Ten Thousand (\$10,000.00) Dollars, and as soon as the Board learns of any threatened condemnation proceeding or proposed acquisition of any portion of the Common Elements.

(f) Such mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common Elements facilities and may pay any overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such property, and such mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

(g) Pursuant to Section 718.104(3), F.S., all persons who have any record interest in the land being submitted to condominium ownership must either join in the execution of the

Declaration or execute, with the requirements for a deed, a consent to the Declaration or an agreement subordinating their mortgage interest to the Declaration.

23. MISCELLANEOUS.

23.1 Cross Easement Agreement.

There is a Cross Easement Agreement between Bonita Bay Properties, Inc., R. G. Brown Properties, Inc. and Bayview Association Inc, as recorded at O.R. Book 2400, Page 730, et seq., Public Records of Lee County, Florida, (Exhibit 13 to the Prospectus & Declaration) for the purpose of establishing an access road to owners of property adjoining the road as more particularly described in the Cross Easement Agreement. Bayview Association, Inc. is the non-profit corporate entity to which Ingress/Egress Easements shall be dedicated and the Association shall be obligated to maintain such easements. The easements will mainly serve the purpose of ingress/egress for the residents and guests of owners benefiting from such ingress/egress right of ways. However, the Association may also grant easement rights along such Ingress/Egress Easements for other purposes, including but not limited to, drainage, utilities, sewer lines, water lines, cable lines and landscaping. There will be an annual assessment to owners of property adjoining the road as more particularly described in the Cross Easement Agreement pursuant to a proposed budget attached to these Declarations as Exhibit 4-C and such assessments will be paid directly to Bayview Association, Inc.

Under the Agreement Bayview Association, Inc. must determine an annual budget for the maintenance and reserve items pursuant to Florida Statutory law for Ingress/Egress Easements, to forward a copy of same to each owner of property adjoining the road as more particularly described in the Cross Easement Agreement and to collect the annual assessment. The agreement further provides lien rights unto the Association in order to afford the Association a manner to collect delinquent payments. The Cross Easement Agreement is a restriction on owners of property adjoining the road as more particularly described in the Cross Easement Agreement.

23.2 Severability.

The invalidity in whole or in part of any covenant or restriction, or any Article, subarticle, sentence, clause, phrase or word, or other provision of this Declaration of Condominium and the Articles of Incorporation, By-laws and regulations of the Association shall not affect the validity of the remaining portions thereof.

23.3 Applicability of Declaration of Condominium.

All present or future owners, tenants, or any other person who might use the facilities of the Condominium in any

manner, are subject to the provisions of this Declaration, and the mere acquisition or rental of any Unit, or the mere act of occupancy of any Unit, shall signify that the provisions of this Declaration of Condominium are accepted and ratified in all respects.

23.4 Construction.

The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan of Condominium ownership. Unless prohibited thereby, if any provisions of the Condominium Act conflict with the provisions of this Declaration the latter shall control.

23.5 Parties Bound.

The restrictions and burdens imposed by this Declaration of Condominium are intended to and shall constitute covenants running with the land, and shall constitute an equitable servitude upon each Unit and its appurtenant undivided interest in Common Elements and this Declaration shall be binding upon Developer, its successors and assigns, and upon all parties who may subsequently become owners of Units in the Condominium, and their respective heirs, legal representatives, successors and assigns.

IN WITNESS WHEREOF, Developer has caused the foregoing Declaration of Condominium to be executed, and its corporate seal to be affixed, by its undersigned, duly authorized officers on the date set forth above.

I.

The name of the corporation shall be:

3. Maintain, repair, replace, operate and manage the Condominium Property, including the right to reconstruct improvements after casualty and further to improve and add to the Condominium Property.

A. The record owners of all Units in the Condominium shall be members of the Association, and no other persons or entities shall be entitled to membership, except as provided for in Paragraph E, Article IV, hereof.

B. Membership shall be established by the acquisition of fee title to a Unit in the Condominium, or by acquisition of a fee ownership interest therein, by voluntary conveyance or operation of

law, and the membership of any person or entity shall be automatically terminated when such person or entity is divested of all title or his entire fee ownership in such Unit; provided, that nothing herein contained shall be construed as terminating the membership of any person or entity owning fee title to or a fee ownership interest in two or more Units at any time while such person or entity shall retain fee title to or a fee ownership interest in any Unit.

C. The interest of a member in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner, except as an appurtenance to the Unit(s) owned by such member. D. On all matters on which the membership shall be entitled to vote, there shall be one, and only one, vote for each Unit in the Condominium, (the "Voting Interest") which Voting Interest may be exercised or cast by the owner(s) of each Unit as will be provided for in the By-laws. Should any member own more than one Unit, such member shall be entitled to exercise or cast one (1) Voting Interest for each such Unit, in the manner provided by the By-laws.

E. At such meeting the amendment or amendments proposed must be approved by an affirmative vote of the members owning not less than two-thirds (2/3) of the Units in the Condominium in order for such amendment

or amendments to become effective. Thereupon, such amendment or amendments of these Articles of Incorporation shall be transcribed and certified in such form as may be necessary to file the same in the office of the Secretary of State of the State of Florida. A. The first Board of Directors shall consist of three (3) persons who are so identified in the Articles; succeeding Boards of Directors shall consist of not less than three (3) persons. At least the majority of each succeeding Board of Directors shall be Members of the Association, or shall be authorized representatives, officers or employees of a corporate Member of the Association. The Developer shall have the right to appoint the Board of Directors for so long as the law permits and shall permit owners other than itself to elect such directors as the law requires as, when and in the manner required by law. The Developer shall have the right to elect in the manner provided in Paragraph B, Article IV, of these By-laws one (1) member of the Board of Directors as long as the Developer holds for sale in the ordinary course of business at least five percent (5%) of the Units in the Condominium. Notwithstanding the foregoing, the Developer shall be entitled at any time to waive its rights hereunder, by execution and delivery to the Association of a written waiver; and thereafter to vote in elections for members of the Board of Directors in the same manner as any other Unit owner.

B. Directors shall be elected in the following manner:

1. Commencing with the election of the first Board to succeed the initial Board, Developers shall designate the number, and the identity, of the members of the Board which it shall be entitled to designate in accordance with the Articles and these By-laws, and upon such designation by Developer, by written instrument presented to the meeting at which such election is held, the persons so designated by Developer shall be deemed and considered for all purposes Directors of the Association, and shall henceforth hold the offices and perform the duties of such Directors until their successors shall have been elected or designated, as the case may be, and qualified in accordance with the provisions of these By-laws.

2. All members of the Board whom Developer shall not be entitled to designate under these By-laws shall be elected, by a plurality of the votes cast at the annual meeting of the members,

immediately following the designation of the members of the Board whom Developer shall be entitled to designate.

3. Vacancies on the Board may be filled, to expire on the date of the next annual meeting, by the remaining Directors; except that, should any vacancy in the Board be created in any directorship previously filled by any person designated by Developer, such vacancy shall be filled by Developer designating, by written instrument delivered to any officer of the Association, the successor Director, who shall fill the vacated directorship for the expired term thereof.

4. In the election of Directors, there shall be appurtenant to each Unit as many votes for Directors as there are Directors to be elected; provided, however, that no member or owner of any Unit may cast more than one vote for any person nominated as a Director; it being the intent hereof that voting for Directors be non-cumulative.

5. In the event that Developer selects any person or person to serve on any Board, Developer shall have the absolute right at any time, in its sole discretion, to replace any such person or persons with another person or other persons to serve on the Board. Replacement of any person or persons designated by Developer to serve on any Board shall be made by written instrument delivered to any officer of the Association, which instrument shall specify the name or names of the person or persons designated as successor or successors to the persons so removed from the Board. The removal of any Director and designation of his successor shall be effective immediately upon delivery of such written instrument by Developer to any officer of the Association.

C. The organizational meeting of a newly elected or designated Board shall be held within fifteen (15) days of their election or designation, at such time and place as shall be fixed at the meeting at which they were elected, and no further notice of the organizational meeting shall be necessary; provided, that a quorum shall be present.

D. Regular meetings of the Board may be held at such time and place as shall be determined from time to time by a majority of the Directors, and shall be open to all members of the Association. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegram, at least seven (7) days prior to the day named for such meeting, unless notice is waived; notice shall also be posted in a conspicuous place in the Condominium at least forty-eight (48) continuous hours prior to said meeting. Such notice shall also be posted in a conspicuous place in each building of the Condominium at least forty-eight (48) continuous hours prior to said meeting.

F. Any Director may waive notice of a meeting before, at or after the meeting, and such waiver shall be deemed equivalent to the giving of notice.

G. A quorum at meetings of the Board shall consist of the Directors entitled to cast a majority of the votes of the entire Board. The acts of the Board approved by a majority of the votes present at a meeting at which a quorum is present shall constitute the acts of the Board of Directors, except as may be specifically otherwise provided in the Articles, these By-laws or the Declaration. If any meeting of the Board cannot be held because a quorum is not present, or because the greater percentage of the Directors is required to constitute a quorum for particular purposes is not present, whenever the latter percentage of attendance may be required as set forth in the Articles, these By-laws or the Declaration, the Directors who are present may adjourn the meeting from time to time until a quorum or the required percentage of attendance if greater than a quorum, is present. At any adjourned meeting that has been properly noticed, any business which might have been transacted at a regularly called meeting may be transacted.

H. The presiding officer of meetings of the Board shall be the Chairman of the Board, if such officer has been elected, or, if not, the President of the Association. In the absence of the presiding officer, the Directors present shall designate one of their number to preside.

I. All of the powers and duties of the Association shall be exercised by the Board, including those existing under the law of Florida, the Articles, these By-laws and the Declaration. Such powers and duties shall be exercised in accordance with the Articles, these By-laws and the Declaration, and shall include, without limitation, the right, power and authority to:

1. Make, levy and collect assessments against Members and Members' Units to defray the costs of the Condominium, and to use the proceeds of assessments in the exercise of the powers and duties of the Association,

2. Maintain, repair, replace, operate and manage the Condominium wherever the same is required to be done and accomplished by the Association for the benefit of Members;

3. Repair and reconstruct improvements after casualty;

4. Make and amend regulations governing the use of the property, real and personal, in the Condominium; provided that such regulations or amendments thereto shall not conflict with the restrictions and limitations which may be placed upon the use of such property under the terms of the Articles and Declaration and only after approval by at least 51% of the unit owners;

5. Approve or disapprove proposed purchasers and lessees of Units and to exercise or waive the Association's right specified in the Declaration. The President or Vice President of the Association are and shall be authorized to approve (but not disapprove) any proposed purchaser or lessee, or to waive (but not to exercise) the Association's right of first refusal, and to execute, on behalf of the Association, appropriate documents to evidence same;

6. Acquire, own, hold, operate, lease, encumber, convey, exchange, manage, and otherwise trade and deal with property, real and personal, including Units, of and in the Condominium, as may be necessary or convenient in the operation and management of the Condominium, and in accomplishing the purposes set forth in the Declaration;

7. 11. Pay all costs of power, water, sewer and other utility services rendered to the Condominium and not billed to the owners of the separate Units;

12. Employ personnel for reasonable compensation to perform the services required for proper administration of the purposes of the Association.

J. Should any member of the first Board be unable to serve for any reason, the Developer shall have the right to select and designate a successor to act and serve for the unexpired term of the Director who is unable to serve.

K. Directors may be removed from office in the manner provided by applicable Florida law.

V. ADDITIONAL PROVISIONS-MEETINGS OF MEMBERS AND DIRECTORS.

A. A member may take any action permitted by law by written proxy which has been duly registered with the Secretary, provided no proxy will be valid except for the meeting for which it was given, or adjournment thereof, and in no event more than ninety (90) days after the date of the first meeting for which it was given.

B. To the extent now or from time to time hereafter permitted by the laws of Florida, the Board may take action which it might take at a meeting of the Board without a meeting; provided, that a record of all such actions so taken, signed by each Director, shall be filed and retained in the minute book of the Association.

C. To the extent now or from time to time hereafter permitted by the laws of Florida, Unit Owners may take any action which they might take at a meeting of the members of the Association without a meeting; provided, however, that any approval of Unit Owners called for by the laws of Florida, including, but not limited to, the approval requirement of Florida Statutes [F.S.718.111(12)] as from time to time amended, the Declaration or these By-laws, shall only be made at a duly noticed meeting of Unit Owners.

D. Minutes of all board and membership meetings shall be retained in a secure place, available for review by membership, for a period of at least seven (7) years from the date of the meeting.

VI. OFFICERS.

A. The Board shall elect a President, Secretary, Treasurer, and as many Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Board shall deem advisable from time to

time. The President shall be elected from the membership of the Board, but no other officer need be a Director. The same person may hold two offices, the duties of which are not incompatible; provided, however, that the office of President and Vice President shall not be held by the same person, nor shall the office of President and Secretary or Assistant Secretary be held by the same person. The Board may from time to time elect such other officers, and designate their powers and duties, as the Board may deem necessary to manage the affairs of the Association. Officers may be removed from office by the Board.

B. The President shall be the chief executive officer of the Association. He shall have all of the powers and duties which are usually vested in the office of President of a corporation not for profit, including but not limited to the power to appoint committees from among the Members from time to time, as he may in his discretion determine appropriate, to assist in the conduct of the affairs of the Association. He shall have such additional powers as the Board may designate.

C. The Vice President shall, in the absence or disability of the President, exercise the powers and perform the duties of the President. He shall also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed by the Board.

D. The Secretary shall keep the minutes of all proceedings of the Board and the Members. He shall attend to the giving and serving of all notices to the Members and Board, and such other notices as may be required by law. He shall have custody of the seal of the Association and affix the same to instruments requiring a seal when duly signed. He shall keep the records of the Association, except those of the Treasurer, and shall perform all other duties incident to the office of the Secretary of a corporation not for profit and as may be required by the Board and the President. The Assistant Secretary shall perform the duties of Secretary when the Secretary is absent.

E. The Treasurer shall have custody of all of the property of the Association, including funds, securities and evidences of indebtedness. He shall keep the assessment rolls and accounts of the members; he shall keep the books of the Association in accordance with good accounting practices; and he shall perform all other duties incident to the office of Treasurer.

F. The compensation of all officers and employees of the Association shall be fixed by the Board. This provision shall not preclude the Board from employing a Director as an employee of the Association, nor preclude contracting with a Director for the management of the Condominium.

VII. FISCAL MANAGEMENT.

The provisions for fiscal management of the Association set forth in the Declaration and Articles shall be supplemented by the following provisions:

A. The assessment roll shall be maintained in a set of accounting books in which there shall be an account for each Unit. Such account shall designate the name and mailing address of the owner(s) and mortgagee(s) of each Unit, the amount of each assessment against the owner(s) of each Unit, the amount of each assessment and due date thereof, and all amounts paid, and the balance due upon each assessment.

B. The Board shall adopt, for, and in advance of, each calendar year, a budget showing the estimated costs of performing all of the functions of the Association for the year. Each budget shall show the total estimated expenses of the Association for that year and shall contain an itemized break down of the Common Expenses, which shall include, without limitation, the costs of operating and maintaining the Common Elements and Limited Common Elements, and wages and salaries of Association employees, management, legal and accounting fees, office supplies, public utility services not metered or charged separately to Units, premiums for insurance carried by the Association and any reserve accounts and/or funds which may be required by law and/or be established from time to time by the Board. The budget shall be prepared in the form and contain categories, including reserves, as required from time to time by the Florida Condominium Act. Each budget shall also show the proportionate share of the total estimated expenses to be assessed against and collected from the owner(s) of each Unit and the due date(s) and amounts of installments thereof. Copies of the proposed budget and proposed assessments shall be transmitted to each Member on or before December 15 of the year prior to the year for which the budget is made. If any budget is subsequently amended, a copy shall be furnished to each affected Member. Delivery of a copy of any budget or amended budget to a Member shall not affect the liability of any Member for any such assessment, nor shall delivery of a copy of such budget or amended budget be considered as a condition precedent to the effectiveness of the budget and assessments levied pursuant thereto. Nothing herein contained shall be construed as a limitation upon the additional assessment in the event that any budget originally adopted shall appear to be insufficient to pay costs and expense of operation and management, or in the event of emergencies.

C. A copy of the proposed annual budgets of the Association shall be mailed to the Unit owners not less than fourteen (14) days prior to the meeting of the Board at which the budget will be considered, together with a notice of the time and place of the meeting. Such meeting of the Board shall be open to

Unit owners. If a budget is adopted by the Board which requires assessment of the Unit owners in any budget year exceeding 115% of such assessments for the preceding budget year, upon written application of persons holding 10% of the Voting Interests, a special meeting of the Unit owners shall be held upon not less than ten (10) days' written notice to each Unit owner, but within thirty (30) days of the delivery of such application of the Board or any member thereof, at which special meeting Unit owners may consider only and enact only a revision of the budget. Any such revision of the budget shall require a vote of persons holding not less than two-thirds (2/3) of the Voting Interests. The Board may in any event first propose a budget to the Unit owners at any such meeting of members or by writing, and if such budget or proposed budget be approved by persons holding a majority of Voting Interests at such meeting or in writing, such budget may not thereafter be reexamined by the Unit owners in the manner hereinabove set forth. If a meeting of Unit owners has been called and a quorum is not attained or a substitute budget is not adopted by the Unit owners, the budget adopted by the Board of Directors shall go into effect as scheduled.

D. In determining whether assessments exceed 115% of similar assessments in the prior budget year, there shall be excluded in the computation any provision for reasonable reserves made by the Board in respect of repair and replacement of Condominium or Association property, or in respect of anticipated expenses by the Association which are not anticipated to be incurred on a regular or annual basis; and there shall be excluded from such computation, assessments or betterment to the Condominium property. Provided, however, that so long as Developer is in control of the Board of Directors the Board shall not impose an assessment for a budget year greater than 115% of the prior budget year's assessment without approval of persons, other than the Developer holding a majority of the Voting Interests.

E. Upon adoption of budgets, the Board shall cause a written copy thereof to be delivered to each Unit owner. Assessments shall be made against Unit owners pursuant to procedures established by the Board, and in accordance with terms of the Declaration and the Articles. Unit owners shall be liable to pay assessments not less often than quarterly. Provided, however, that the lien or lien rights of the Association shall not be impaired by failure to comply with procedures established pursuant to these By-laws.

F. The depository of the Association shall be such bank or banks as shall be designated from time to time by the Board, in which all monies of the Association shall be deposited. Withdrawal of monies from such bank(s) shall be only by check signed by such persons as are designated by the Board.

G. A review of the accounts of the Association (or audit if required by or underwriting guidelines of any federal agency or corporation which guarantees or purchases mortgages) shall be made annually by a Certified Public Accountant, and a copy of the report together with a financial report in the form required by law shall be furnished to each unit owner and to the Division of Florida Land Sales, Condominiums, and Mobile Homes of the Department of Business Regulation, not later than sixty (60) days following the year for which the report is made.

H. The association shall obtain and maintain adequate fidelity bonding of all persons who control or disburse funds of the association in the principal sum of not less than \$50,000 for each such person. The association shall bear the cost of bonding. However, in the case of a person providing management services to the association and required to be licensed pursuant to s. 468.432, the cost of bonding may be reimbursed by the association; all such persons providing management services to the association shall provide the association with a certificate of insurance evidencing compliance with Florida Statute Section 718.112 (2)(j).

VIII. MANDATORY NONBINDING ARBITRATION. In the event of a dispute between one or more unit owners and/or the Association arising from the operation of the Condominium, the parties must submit the dispute to arbitration under the rules of the Division of Florida Land Sales and Condominiums. If any dispute over the enforcement or interpretation of Association Rules and Regulations should arise, either between two or more unit owners, or between the Association and one or more unit owners, it is intended that such dispute be resolved by agreement or by arbitration, and not by resort to the courts. For this purpose, after a written arbitration decision has been given, the party who files a complaint for a trial de novo shall be assessed the other party's arbitration costs, court costs, and other reasonable costs, including attorney's fees, investigation expenses, and expenses for expert or other testimony or evidence incurred after the arbitration hearing if the judgement upon the trial de novo is not more favorable than the arbitration decision. If the judgment is more favorable, the party who filed a complaint for trial de novo shall be awarded reasonable court costs and attorney's fees. Nothing herein shall be construed to prevent the Association from recovering attorney's fees in any action brought to collect unpaid assessments, including fines, or to require the Association to submit assessment collection disputes to arbitration.

IX. PARLIAMENTARY RULES.

Roberts' Rules of Order (latest edition) shall govern the conduct of corporate proceedings when not in conflict with the Articles, these By-laws or the laws of Florida.

X. AMENDMENTS TO BY-LAWS.

Amendments to these By-laws shall be proposed and adopted in the following manner:

A. Amendments to these By-laws may be proposed by the Board, acting upon vote of a majority of the Directors, or by persons holding a majority of the Voting Interests whether meeting as members or by instrument in writing signed by them.

B. Upon any amendment or amendments to these By-laws being proposed by the Board or Members, such proposed amendment or amendments shall be transmitted to the President of the Association, or acting chief executive officer in the absence of the President, who shall thereupon call a special meeting of the Members for a date not sooner than twenty (20) days or later than sixty (60) days from receipt by such officer of the proposed amendment or amendments, and it shall be the duty of the Secretary to give each member written or printed notice of such meeting in the same form and in the same manner as notice of the call of a special meeting of the members is required as herein set forth; provided, that proposed amendments to the By-laws may be considered and voted upon at annual meetings of the members.

C. In order for such amendment or amendments to become effective, the same must be approved by an affirmative vote of the persons holding Voting Interests of Units to which not less than two-thirds (2/3) of the Voting interests are appurtenant and a copy of such amendment or amendments to these By-laws shall be transcribed, certified by the President and Secretary of the Association, and a copy thereof shall be recorded in the Public Records of Lee County, Florida, within fifteen (15) days from the date on which any amendment or amendments have been affirmatively approved by the Members.

D. At any meeting held to consider such amendment or amendments to these By-laws, the written vote of any person holding a Voting Interest shall be recognized if such person is not present at such meeting in person or by proxy, provided such written vote is delivered to the Secretary at or prior to such meeting.

E. Notwithstanding the foregoing provisions of this Article X, no amendment to these By-laws which shall abridge, amend or alter the right of Developer to designate members of the Board of Directors of the Association, as provided in Article IV hereof, may be adopted or become effective without the prior written consent of Developer.

The foregoing were adopted as the By-laws of BAYVIEW AT BONITA BAY II ASSOCIATION INC., a corporation not for profit under the laws of the State of Florida, at the first meeting of the Board of Directors on this 24th day of November, 1993.

ORAL REPRESENTATIONS CANNOT BE RELIED UPON AS CORRECTLY STATING THE REPRESENTATIONS OF THE DEVELOPER. FOR CORRECT REPRESENTATIONS, REFERENCE SHOULD BE MADE TO THIS CONTRACT AND THE DOCUMENT REQUIRED BY SECTION 718.503 FLORIDA STATUTES, TO BE FURNISHED BY A DEVELOPER TO A BUYER OR LESSEE.

ANY PAYMENT IN EXCESS OF 10 PERCENT OF THE PURCHASE PRICE MADE TO DEVELOPER PRIOR TO CLOSING PURSUANT TO THIS AGREEMENT MAY BE USED FOR CONSTRUCTION PURPOSES BY THE DEVELOPER.

0R2768 PG2762

Deposits can be made by check. The balance payable at closing must be paid by cashier's check drawn on a Lee or Collier County bank. If Buyer does not have an account with such a bank, Seller may require that Buyer have the funds for closing wire-transferred.

2. Deposits Held in Escrow. All deposits will be held in escrow in accordance with the Escrow Agreement contained in the Prospectus. All deposits will be invested in an interest bearing account with all interest to be paid or credited to Buyer at closing. On request, Seller will obtain a receipt for Buyer from the Escrow Agent for all funds to be held by the Escrow Agent or Buyer may obtain it directly. Any payment in excess of 10 percent of the purchase price made to the developer prior to closing pursuant to this agreement may be used for construction purposes by the Developer. Upon closing, Seller will be entitled to all deposits made by Buyer. Upon default by either party to, or upon cancellation of, this Agreement all deposits made by Buyer shall be paid to the party entitled to receive the deposits according to the terms of this Agreement. The Escrow Agent is Executive Title Insurance Services, Inc., located at 4450 Bonita Beach Road, Suite 3, Bonita Springs, Florida 33923.

3. Contingency. This contract is contingent upon Seller, as Developer of the Condominium having satisfied all of its construction lender's pre-sale requirements with respect to units in the Condominium. If Seller has not satisfied such requirements, then Seller may terminate this contract in which event the deposits made hereunder and all interest accrued thereon will be refunded to Buyer and the rights and obligations of the parties will be at an end and each party will be released of and from any and all liability hereunder.

4. Construction Financing. Buyer agrees that any lender advancing construction funds for the project may have a first mortgage on the Unit and the condominium property until closing of title hereunder. This agreement and the deposits under it do not give Buyer any lien or claim against the Unit or condominium property and Buyer's rights will be subordinate to those of anyone holding a mortgage that secures any funds advanced for construction.

5. Condominium Construction Specifications. Seller agrees that materials, equipment and fixtures to be used in constructing the Unit and the condominium project will be substantially the same as those described in Seller's specifications therefor. Seller reserves the right to make reasonable modifications to such specifications, and to substitute materials, equipment and fixtures of substantially equal or better quality. However, Seller will not make any modifications or substitutions which have a material, adverse effect on the value of the Unit or the project, or materially reduce the floor area of the Unit or the common elements. Buyer may examine the specifications at the sale office during Seller's regular business hours.

Buyer will have a reasonable opportunity to inspect the Unit accompanied by Seller's agent, before closing. After inspection and prior to closing, Buyer will prepare, sign and deliver to Seller a list of any defects in the workmanship or materials. Any necessary minor repairs or "touch-ups" will be made, without cost to Buyer, by the servicing organization maintained by Seller for that purpose unless they are items that are covered by the warranties of manufacturers, suppliers, contractors or subcontractors which have been assigned or are assignable by Seller to Buyer, and the closing will not be delayed by any unremedied defects or unperformed repairs or "touch-ups" unless they prevent Buyer from living in the Unit. The contractor's work will be judged against construction standards in Lee County, Florida. Buyer agrees

not to hold back any part of the purchase price or impose any conditions on the closing because of defects or because of minor details of the Unit or common elements which are not usually completed until after closing and occupancy.

6. Damage Before Completion. If the Unit is damaged by fire or other casualty before closing of title, and if Seller decides to repair the damage, Seller will have a reasonable time to complete repairs, which will be made without cost to Buyer. The repair work will be judged by the same standards used to evaluate new construction. Buyer will have no right to any reduction in the purchase price nor any claim against Seller by reason of the damage and will close on the scheduled closing date if the repairs have been completed (to the extent that Buyer is not prevented from living in the Unit) by that date.

Seller reserves the right to decide, in its sole discretion not to repair the damage. If Seller makes this decision, this agreement will be canceled, in which case Seller will refund all Buyer's deposits with any interest earned on them to which Buyer would have been entitled had the closing taken place as planned. This will terminate any rights or responsibilities the parties have to each other and each party will thereafter be released of and from any and all liability hereunder.

7. Completion Date. Seller expects to complete construction by the date listed in the Offering Circular. However, this is only an estimate and not a contractual commitment on Seller's part and Buyer shall have no recourse or remedy if it is not completed by that time. In any case, Seller promises to finish construction of the unit within two (2) years from the date of the purchase of the underlying land. If not completed by that time, or a later date if this is subsequently agreed upon, Buyer may rescind this contract or enforce this contract as permitted by law and, if rescinded, all deposits will be returned to Buyer with any interest which would have been paid had Buyer closed. If construction is delayed for a period of time by events beyond Seller's control (for example, strikes, acts of God, action by the government, or lack of materials), the two-year period will be extended for an equivalent period of time.

8. Closing Date. Seller shall have the right to schedule the date, time and place for closing of title in Lee or Collier County, Florida. However, the closing date will not be before the date when Seller obtains a certificate of occupancy for the Unit from the proper governmental agency. Buyer will receive fifteen (15) days' notice of the closing date, time and place. Seller may postpone the closing for good cause, but it must provide Buyer at least five (5) days' notice of the new date.

9. Closing of Title. The term "closing of title" or "closing" refers to the time when the purchase price is paid and when ownership changes hands by Seller's delivery of a deed of conveyance to the new Unit. Seller agrees that the title Buyer will receive at closing will be good and insurable and be subject only to the permitted limitations described below:

A. Liability for all current and future ad valorem taxes on the Unit.

B. Any restrictions, covenants, conditions, limitations, agreements, reservations and easements now recorded in the public records, or hereafter created by Seller in connection with development of the Condominium, and zoning ordinances or other restrictions imposed by governmental authority.

C. The restrictions, covenants, conditions, easements, terms and other provisions imposed by the documents contained or referred to in the Offering Circular to be recorded on the public records.

D. The standard exceptions contained in the ALTA Owner's Title Insurance Policy to be issued in Lee County, Florida for condominium units.

E. Statutory rights of access to the Unit in favor of the Condominium Association by virtue of Florida Statutes.

F. Easements and other encumbrances created by Developer in connection with the development of the Condominium.

G. Any liens or encumbrances created or against Buyer.

H. Personal property will not be insured; and

I. Riparian and littoral rights will not be insured.

None of the foregoing will, however, prevent use of the Unit for the purposes permitted in the Declaration.

If Seller cannot convey title in the condition required, Seller will have a reasonable time (at least sixty (60) days) to correct any defects in title, but Seller is not obligated to do so. If Seller cannot or will not correct the title defects, Buyer will have the following options:

(i) Buyer may accept the title in the condition it exists and pay the full purchase price waiving any claims against Seller because of the defects; or

(ii) Buyer may cancel this agreement, in full settlement, and receive a full refund on all deposits with such interest as may have been earned and would have been paid had Buyer closed as planned; or

(iii) Buyer may bring suit for specific performance to close on the unit.

At the time of closing Seller will deliver a warranty deed conveying title to the Unit and Buyer will pay the balance of the purchase price and any additional amounts owed under this agreement.

10. Closing costs. In addition to the purchase price, Buyer shall pay a 1 1/2% closing fee which shall include the documentary stamp fee on the deed, the cost of recording the deed in the Public Records of Lee County, Florida, and an owner's title insurance policy for the unit purchased hereunder. If the Buyer finances a portion of the purchase price by a mortgage loan, the Buyer will be obligated to pay whatever mortgage loan fees and closing costs are charged by such lending institution. The Buyer shall choose the entity that shall issue an owner's title insurance policy.

11. Taxes. The taxes, condominium association assessments, and assessments to Bonita Bay Community Association, Inc., for the month of closing will be prorated and adjusted between Seller and Buyer at closing. If the actual amount of the taxes assessed and levied upon the Unit for the year of closing is available at the time of closing, the tax prorated will be based on the taxes with maximum discount if not then paid, or on the actual amount if previously paid by Seller. If the actual amount of taxes for the year of closing is not available at the time of closing, the tax proration shall be based on the amount of such taxes as estimated by Seller, and will be readjusted, based on the actual amount of taxes, when the bills are received.

12. Capital Contributions. In addition Buyer will be charged \$1,000.00 as an initial capital contribution to the Bonita Bay Community Association, Inc., and a \$500.00 initial capital contribution to Bayview at Bonita Bay II Association, Inc.

082768 PG2765

13. Possession. After the closing has been completed and Buyer has paid the full purchase price, closing costs and association assessments, Buyer will have the right to take possession of the Unit.

14. Default. If Buyer fails to perform under this Agreement, Buyer will be in "Default". If Buyer is still in default ten (10) days after Seller gives Buyer notice of default Seller will have the right to cancel this agreement. At such time all Buyer's rights hereunder will end.

As compensation for the damage which Seller may suffer if Buyer defaults, Seller may retain any deposits Buyer has made, plus interest earned thereon as liquidated damages. Buyer agrees that there is no better method of determining Seller's damage.

In the event Buyer fails to close this transaction in the time established by Seller for reasons other than Seller's fault or delay, Buyer shall, if Seller is still willing to close be required to pay interest on the purchase price from the date the closing should have occurred until it does occur at the rate of interest which Seller is then paying on its construction loan for this project or if said loan has been repaid, then at the rate of fifteen (15%) percent per annum. Nothing herein shall, however, require Seller to extend the closing beyond the time set forth above or prevent Seller from treating Buyer as being in default if Buyer fails to close within such time.

If Buyer has paid any money for "special items" (such as customized work or nonspecified materials) in the Unit, Seller may retain that money if it has incurred the expense or obligated itself therefor.

15. Seller's Use of the Condominium Property. As long as Seller owns or leases a condominium unit in the Condominium, Seller and its agent shall have the right to keep an office and a model apartment in the condominium. Seller, or its successors or assigns, may erect advertising signs and do whatever else is necessary and helpful for sales, but Seller's use of the condominium property must be reasonable and cannot materially interfere with Buyer's use and enjoyment of Buyer's Unit.

16. Miscellaneous Provisions.

A. Equipment and Fixtures Included. The purchase price of the Unit includes the appliances and equipment listed in the specifications which Seller has on file. Any other appliances, furnishings or decorations contained in any model apartments are for display purposes only.

B. Sales Commission. Seller will pay the sale commission or other compensation earned by Seller's sales personnel. Buyer represents to Seller that Buyer has dealt with _____ . Buyer will indemnify and hold Seller harmless from and against all loss and attorney's fees and costs incurred by Seller, resulting from or arising out of any claim against Seller for a sales commission made by a real estate broker or agent with whom Buyer has dealt or negotiated in connection with Buyer's purchase of the Unit whose identity has not been disclosed to Seller by Buyer. Buyer's representation to and indemnity of Seller contained in this subparagraph shall survive the closing.

C. Possession and Occupancy. Buyer will have no right to possess, occupy or enter upon the Unit prior to closing without Seller's written permission.

082768 Pg2766

D. Transfer or Assignment. Buyer has no right to assign sell or transfer his interest in this agreement without Seller's written consent. Seller does not have to give this consent and if Seller does not consent any assignment Buyer may make will not be effective.

E. Others Bound by this Agreement. This agreement will be binding against and inure to the benefit of the heirs, representatives, successors and assigns of the parties.

F. Florida Law. Any disputes that develop under this Agreement will be settled according to Florida Law. If any part of this Agreement violates a provision of Florida Law, the law will control. In this case, however, the rest of the Agreement (not in violation) will remain in force.

G. Changes. Seller is authorized to make reasonable changes in the Offering Circular and the documents appearing as exhibits to it if the changes do not have a material, adverse effect on Buyer's rights or the value of the Unit.

H. Prior Use of the Unit. The Unit has not and will not have been previously lived in or occupied prior to closing.

I. Material Changes. Seller shall have the right, prior to recording of the Declaration, to make such changes in the Condominium Documents appearing in the Offering Circular as Seller deems necessary or advisable, including the right to make material changes in the plans and specifications for the Unit and the Condominium Property. Seller shall inform Buyer of any material changes in writing. Buyer shall have a period of fifteen (15) days in which to review such material changes during which period Buyer may cancel the contract at which time Buyer's deposits plus interest earned on them will be refunded thereby ending any rights and obligations of the parties under this Agreement. If Buyer does not so terminate within said fifteen (15) day period, Buyer will be deemed to have accepted and approved such changes. Buyer does not have the right to prevent Seller from making such changes, Buyer's rights being limited to cancellation of this contract.

J. Primary Occupant. If the Buyer in this Agreement is a corporation, partnership, trustee or any other entity other than a single individual or a husband or wife, Buyer shall designate, on the last page of this Agreement, the person who will be the Primary Occupant of the Unit. The term "Primary Occupant" shall have the same meaning as in the Declaration of Condominium and the By-laws and shall mean the person who, together with his or her family, will occupy the Unit. The Primary Occupant will also be subject to the personal investigation provided for in paragraph 12 of this Agreement. This designation is necessary to facilitate administration of the Condominium in order to comply with provisions of the Declaration of Condominium.

K. Insulation. Seller intends to install insulation in the ceiling and exterior walls of the condominium building, as follows:

CEILING

Type: Fiberglass Batt
R.Value: R-30
Thickness: 10 inches

EXTERIOR WALLS(Front/Rear)

L. Notice. In the event notice is to be given hereunder it shall be hand delivered or sent by certified mail, return receipt requested, and mailed to the addresses at the top of Page 1 hereof. Such notice shall be effective upon mailing in the foregoing manner.

M. Buyer's Right to Cancel.

THIS AGREEMENT IS VOIDABLE BY BUYER DELIVERING WRITTEN NOTICE OF THE BUYER'S INTENTION TO CANCEL WITHIN 15 DAYS AFTER THE DATE OF EXECUTION OF THIS AGREEMENT BY THE BUYER, AND RECEIPT BY BUYER OF ALL OF THE ITEMS REQUIRED TO BE DELIVERED TO HIM BY THE DEVELOPER UNDER SECTION 718.502, FLORIDA STATUTES. THIS AGREEMENT, made the 10th day of November, 1993, by and between THE PINNACLE OF NAPLES, INC., an Indiana Corporation authorized to do business in Florida ("Developer"), the address of which is 3750 Bonita Bay Blvd., S.W., Bonita Springs, Florida 33923 and EXECUTIVE TITLE INSURANCE SERVICES, INC., located at 4450 Bonita Beach Road, Suite 3, Bonita Springs, Florida 33923.

W I T N E S S E T H

A. Developer proposes to construct and develop a condominium project in Lee County, Florida, to be known as BAYVIEW AT BONITA BAY II, a condominium; and

B. Developer intends to enter into contracts for the sale and purchase of condominium parcels in BAYVIEW AT BONITA BAY II, a condominium ("Contracts"); and

C. Developer desires to place in escrow the deposits ("Deposits") received from the prospective purchasers in connection with Contracts in accordance with the provisions of Chapter 718, Florida Statutes, if applicable, or otherwise at the discretion of Developer; and

WHEREAS, Escrow Agent has consented to hold all Deposits it receives pursuant to the following terms and provisions.

NOW, THEREFORE, Escrow Agent and Developer agree as follows:

1. From time to time, Developer will deliver checks payable or endorsed to the order of, or otherwise cause funds to be transferred to Escrow Agent, which will represent Deposits on Purchase Agreements for Condominium Units at BAYVIEW AT BONITA BAY II, a Condominium.

2. Escrow Agent agrees to receive, hold and disburse Deposits received with respect to Contracts in accordance with the provisions of this Escrow Agreement.

3. Escrow Agent shall, subject to clearance of funds, disburse Deposits escrowed hereunder as follows:

(a) To the purchaser, together with any interest earned thereon, within ten (10) days after receipt of Developer's written certification that the purchaser has properly terminated the Contract pursuant to its terms, or pursuant to Chapter 718, Florida Statutes.

(b) To Developer, together with any interest earned thereon, within ten (10) days after the receipt of Developer's written certification that the purchaser's Contract has been terminated by reason of the purchaser's default, or failure to cure a default, in performance of the purchaser's contract obligations.

(c) If the Deposit, together with interest earned thereon, if any, has not been disbursed previously in accordance with the foregoing provisions of this Article 3, the same shall be disbursed to Developer upon receipt from Developer of a closing statement or other verification signed by the purchaser, or the purchaser's attorney or authorized agent, reflecting that the transaction for sale and purchase of the subject condominium unit has been closed and consummated; provided, however, that no disbursement shall be made if, prior to the disbursement, Escrow Agent receives from the purchaser written notice of a dispute between the purchaser and Developer, until such dispute is settled. Such dispute shall be deemed settled upon receipt of an executed closing statement or other written evidence of such settlement.

4. Escrow Agent shall, at any time, make distribution of a Deposit and interest earned thereon (if any) upon written instructions duly executed by Developer and purchaser. Any payment in excess of 10 percent of the purchase price made to Developer prior to closing pursuant to the purchase agreement may be used for construction purposes by the developer and shall be held in a special escrow account to be disbursed in accordance with Florida Statute Section 718.202.

5. Escrow Agent, if and as directed by Developer, may invest the Deposits in any manner or depository permitted or authorized by Section 718.202(1), Florida Statutes.

6. Escrow Agent may act in reliance upon any writing or instrument or signature which it, in good faith, believes to be genuine; may assume the validity and accuracy of any statements or assertions contained in any such writing or instrument; and may assume that any person purporting to give any writing, notice, advice or instruction in connection with the provisions hereof has been duly authorized to do so. Escrow Agent shall not be liable in any manner for the sufficiency or correctness as to form, manner of execution, or validity of any written instructions delivered to it, nor as to the identity, authority or rights of any person executing the same. The duties of the Escrow Agent shall be limited to the safekeeping of the Deposits and disbursing same in accordance herewith. Escrow Agent undertakes to perform only such duties as are expressly set forth herein, and no implied duties or obligations shall be read into this Agreement. Upon Escrow Agent disbursing the Deposit(s) of a purchaser in accordance with the provisions hereof, the escrow account or accounts shall terminate as regards said purchaser's deposit(s), and Escrow Agent so disbursing shall thereafter be released of all liability hereunder in connection therewith.

7. Escrow Agent may consult with counsel of its own choice and shall have full and complete authority, and shall be protected, with respect to any action taken or suffered by it hereunder in good faith and in accordance with the opinion of its counsel. Escrow Agent shall not otherwise be liable for any mistakes or fact or errors of judgment, or for any action or omissions of any kind, unless caused by its misconduct or gross negligence, and Developer agrees to indemnify and hold Escrow Agent harmless from any claims, demands, causes of action, liabilities, damages and judgments, including the cost of defending any action against either of them, together with any reasonable attorney's fees incurred in connection therewith, with respect to Escrow Agent's undertaking pursuant to the terms and conditions of this Escrow Agreement, unless such act or omission is a result of the misconduct or gross negligence of Escrow Agent.

8. In the event of a disagreement with respect to the interpretation of this Agreement, or with respect to the rights and obligations, or the propriety of any action contemplated by Escrow Agent, Escrow Agent may, in its sole discretion, file an appropriate legal action to resolve such disagreement. Escrow Agent shall be indemnified by Developer for all Escrow Agent's costs, including reasonable attorney's fees, in connection with any such legal action.

9. Escrow Agent may resign at any time upon the giving of thirty (30) days' written notice to Developer of Escrow Agent's intent so to resign. If a successor Escrow Agent is not appointed within thirty (30) days after notice of such intended resignation, the resigning Escrow Agent may petition any court of competent jurisdiction to name a successor Escrow Agent and Escrow Agent herein shall be fully relieved of all liability under this Agreement to any and all parties upon the transfer of the appropriate escrow account or accounts to the successor Escrow Agent either designated by Developer or appointed by the court.

10. Developer shall have the right upon thirty (30) days' written notice to replace Escrow Agent with a successor Escrow Agent selected by Developer, or Developer itself if permitted by law; provided all sums then due Escrow Agent shall have been paid. Escrow Agent shall turn over to the successor Escrow Agent, or to Developer, as the case may be, all funds, documents, records and properties deposited with Escrow Agent in connection herewith and thereafter shall have no further liability hereunder.

11. Developer agrees to pay Escrow Agent compensation for the services to be rendered hereunder according to Escrow Agent's schedule of fees in effect at the time such compensation is payable and to pay reasonable compensation for all additional services which are requested and performed.

12. All notices and communications hereunder between the Developer and Escrow Agent shall be in writing and shall be deemed to be duly given if sent by registered or certified mail, return receipt requested, to the respective addresses set forth above. All other notices shall be given as specified in the Contract.

13. The rights created by this Escrow Agreement shall inure to the benefit of, and the obligations created hereby shall be binding upon, the successors and assigns of Escrow Agent and all parties to this Agreement.

14. This Agreement shall be construed and enforced according to the laws of the State of Florida.

IN WITNESS WHEREOF, the parties have executed this Escrow Agreement on the day and year first above written.
