65	services are really good and facilities well maintained.	3/16/2018 5:31 PM

72	Stop charging to park at Lakes Park. Also, more beach access locations, and NO parking fee for locals. I'm a Fort Myers native, and on a tight income, and it infuriates me when I can't find one stinking parking spot, then when I do it costs so much. Have designated parking areas for local residents, and with NO fee. I mean, shouldn't all the alledged tourist tax revenue pay for parking lot upkeep?	3/14/2018 3:34 PM

Employees are deployed elsewhere for several days and we're forced outside.	3/9/2018 1:39 PM

135	The number one thing you can do better is to have the air conditioning on in the gym at Lexington Middle School for the Jazzercise class at 9:00 Monday through Saturday. This is a large class (70 or more) and we are all paying \$40 per month. Not having A/C is unacceptable. The second thing is that the bathrooms are filthy.	3/7/2018 7:52 PM

137	Offer Senior basketball at more locations and closer to 9AM	3/7/2018 5:23 PM
138	This is not just a recreational problem. The sidewalks are severely lacking and often in poor repair. There are no easy access to bike trails or parks without driving there. I cannot bike to the park without going on Joel Blvd. The traffic is terrible. and few stoplights. There are safety concerns for children and older people. There are many great recreational opportunities- Would be super to be able to bike to some of these places.	3/7/2018 2:49 PM

142	More shade at playgrounds	3/7/2018 12:32 PM
143	During Jazzercise, the gym is often too warm. When you have up to 100 people exercising in one room, it can generate a lot of heat. Please fix the AC so it is cooler in there!	3/7/2018 12:04 PM
144	The estero center is almost completely used by children and seniors. I have tried many times to take zumba or yoga classes there and they were cancelled. When I lived in Ft Myers I used to go to Wakehatchee all the time for zumba/yoga but since I moved to estero it has been terrible. There are so many non-seniors living in the area and it is hard that our tax money goes to senior classes and kids ONLY.	3/7/2018 12:03 PM
145	Turn the air conditioner on/down in the gym at Wa-Ka-Hatchee rec center for Jazzercise. In season, there are up to 100 paying students and it is unbearably hot many days.	3/7/2018 12:03 PM

165	I would appreciate more outdoor pickleball courts. Also, there is no Lee County recreation center in Cape Coral, the largest city in SW Florida.	3/5/2018 12:46 PM
166	The safety at Veterans Park Rec Center has been something I have been very concerned about. Having more patrol either with security guards at the basketball courts or police presence would be nice.	3/5/2018 12:45 PM
167	more community-orientated programs such as bi-weekly table tennis gatherings, foreign language courses, speakers on topical subjects and community events, organize coach/bus trips to local attractions	3/5/2018 10:47 AM

174	I would like to see more parks in the northern part of the county, especially North Cape Coral. I have two young children who adore the beach and playgrounds as well. It would be nice to have a park with water features and a playground or with beach access for many of the younger families who reside in northern Cape Coral.	3/4/2018 6:23 PM
175	Provide more parking to make access easier	3/4/2018 6:18 PM
176	Indoor and outdoor courts crowded every day. Fortunately, the court sharing system we use enables lots of people to play. Largest city Cape Coral has ZERO public pickleball courts. Please work with the Cape to change this and add courts wherever you can. This pickleball explosion boom is just starting.	3/4/2018 3:54 PM
177	Need a beginner yoga class and a less intense, difficult clas that is slower paced.	3/4/2018 3:11 PM
178	remove dust balls from floor of tap dance lesson room at Estero Recreation Center	3/4/2018 1:02 PM

190	I have been using the Estero Rec Center for 10 years. The only issue I've had is when my car is parked, they are mowing the grounds and leaving debris on my car.	3/3/2018 10:17 PM
191	It would be nice if WaKeHatchee was open for our use during Christmas holidays and other holidays.	3/3/2018 10:05 PM
192	I'm very happy with the resources, people and services. Perhaps lifelong learning classes would be nice at Wa-Ke Hatchee. Affordable, convenient lifelong learning opportunities for seniors is very limited in Lee County. There are plenty of options if you want to drive to Naples but this isn't realistic for Lee County residents. Please help Lee County seniors in this area if it is part of your mission.	3/3/2018 8:30 PM
193	staff at Wa Ke Hatchee Rec Center are the best!	3/3/2018 8:24 PM
194	More exercise classes	3/3/2018 8:24 PM
195	Cape Coral is lagging greatly in pickleball facilities. Simply painting lines on a tennis court is almost completely unacceptable. We need a complex as Pickleball is a gathering place for all ages. People play with others and it's an addicting way to get in shape. Also, Tennis nets are 3" higher than Pickleball nets which is a big deal.	3/3/2018 8:15 PM
196	Nothing - staffs we deal with are great.	3/3/2018 7:29 PM

204	Outdoor pickle ball courts	3/3/2018 5:16 PM

210	More pickle ball places, courts and times.	3/3/2018 1:29 PM
211	Nothing to suggest at this time.	3/3/2018 1:12 PM
212	It would be most helpful to have the air conditioning on before Jazzercise class begins. Sometimes it's so hot you could pass out. It would be nice to have a larger room for the Tuesday/Thursday class. I don't attend because it's too small for the number of people.	3/3/2018 12:09 PM

213	Just please. keep doing what you are doing now, There are no complaints from me. Just Thanks.	3/3/2018 12:02 PM
214	More staff, always understaffed at parks. A regional park in Cape Coral is definitely needed for the growing community. A spot at a park for concerts and events since Lake Park Regional doesn't host them anymore.	3/3/2018 12:01 PM
215	Need to have employees with excellent customer service at front desk	3/3/2018 11:43 AM
216	Social Media presence of events and amenities. I use social media to connect and find out about area events. Most of my family and friends don't know to look to parks and rec for area events.	3/3/2018 11:05 AM
217	We need more pickleball courts, during peak season (Dec - April) the existing courts get way too congested and wait times for games exceed ½ hour.	3/3/2018 10:59 AM
